CHURCH NEWS AND EVENTS

Let us encourage one another -- and all the more as you see the Day approaching.

Free Will Offering - You may have seen images of the tremendous flooding that has hit the southwest Indian province of Kerala. That area was home to our member family. They are working hard to raise money especially for two friends who have lost their home: Josekutty Kuncheria and Senkumar C.S.

We plan to respond with an impromptu door offering this weekend at church. Whatever funds are raised will be deposited through our members into the accounts of those who need it most. We are also appealing to *WELS Christian Aid and Relief* for help. Checks should be made out to Christ Alone, with the memo "India gift".

"Whatever you did for the least of these brothers and sisters of mine, you did for me," said Jesus.

School News - The first week of school is now in, and we are celebrating God's blessing of honest labor this weekend with our families. Our 3K and 4K programs have begun as well. Practicing solid routines and procedures has been a highlight for the entire school. Music practices, piano lessons, the AR library, and our first volleyball and soccer matches begin this next week.

Tract Focus - The book of Proverbs is one of the most beloved books in the Bible. This week's pamphlet is titled, "Proverbs-Biblical Wisdom for Today" and is produced by Rose Publishing. It gives a good overview explaining the types of proverbs, connections with the New Testament, and includes discussion questions for group use. The tract is available at the Welcome Center in the narthex.
