Book of the Month –

***Tactics: A Game Plan for Discussing your Christian Conviction* by Gregory Koukl.**

In a world indifferent or even opposed to Christian truth, followers of Christ must be better equipped to communicate the timelessness of the Christian faith. But how do you have a conversation with someone who is intent on proving you wrong and won't accept the Bible as a source of authority? In *Tactics*, Gregory Koukl demonstrates how to artfully regain control of conversations, keeping them moving forward in constructive ways through thoughtful diplomacy. Most importantly, you'll learn how to get people thinking about Jesus. *Tactics* provides the game plan for communicating the compelling truth about Christianity with confidence and grace. 157 pgs.
